CGI  
HR Manager  
Montreal,Canada

**Re: Dev Front-End JavaScript**

Dear Sir,

My name is Jestin Mathews Kurian, and I am thrilled to express my interest in the JAVA Developer position at CGI .As being a Diligent Java Developer offering 1 year of Technical experience and strong knowledge in various Programming languages and Database Management, I'm very confident that I would be a valuable asset to the Organisation.

Your Job listing mentions a need for someone who has strong knowledge in Web Development and exposure in Java,JavaScript,React in which I have expertised in.I guarantees my excellent communication and interpersonal skills which builds loyalty and good relationship with the organisation.My dedication to research and finishing projects within, tight deadlines make me the perfect candidate for the company. If I'm allowed to work as a Java Developer, I would enjoy the challenges and processes involved.Moreover, My adaptability to work in any scenario makes me an ambitious developer.

I'm confident that my exposure to Java,React and MySQL and knowledge in Front-End methodologies, will make me an immediate asset at CGI and allow me to contribute to the team's success.

I look forward to discuss the Web Developer position and my qualifications with you in more detail.I'm available to talk at your convenience.I'll be in touch next week to follow up and to make sure you've received my application.

Thank you so much for your time and consideration.

Sincerely,

Jestin Mathews Kurian
